It's Hanukkah, Thank Goodness!

STONE MOUNTAIN, GA – August 21, 2013 --This year, Hanukkah is somewhat of a miracle itself. The first day of Hanukkah falls on Thanksgiving, a once in a lifetime occurrence due to the way these holidays can randomly fall on the calendar. Hanukkah is the eight-day Jewish holiday that celebrates the miracle of light.

Mud Pie loves a celebration, especially a double celebration, and has adorable Hanukkah and Thanksgiving gifts that can add to the festive holiday table. So this year, as American Jews gather around their Thanksgiving table, they'll have one more thing to be grateful for: their turkey dinner with a side of delicious latkes!
